For those applicants who do *not* hold an MFA in Writing, please submit 5 poems or 1-2 samples of prose. Please send this work in a single MSW document. This submission does not need to be the same work you would like to have discussed in workshops. It may be either published or unpublished.

Send no money now. Upon acceptance on 11 March 2008, as the final step in the registration process, you will be asked to send a non-refundable check for \$250. This must be received in Ireland by 1 April 2008 to hold your place.

Balance of \$900 plus payment for your room is due by 15 May 2008. This is fully refundable (less the \$250 deposit) until 1 August 2008. After that date, this balance and room payment will only be refunded if a replacement for you is found.

This program is not connected to the Stonecoast MFA program or the University of Southern Maine. It is for serious writers who are not presently enrolled at Stonecoast.

This is going to be a wonderful week. We hope you can join us!
